\*Interesting vocabulary is any word that is:

new or not completely known  
used in an unfamiliar way  
seems important to the story

**Pick a character (other than the main character) to focus on this week.** Describe the character. What information do you have from the book (age, gender, looks) and what information can you infer about the character (personality traits)?

Locate an act of unkindness OR generosity toward the main character. Summarize the act and explain why you think it occurred (other than 'the cousins are crazy or just mean').

Describe something new that you have learned about Vietnamese culture this week.
