This project will be assessed on seven standards (see table below). Your presentation can be as short as 3 minutes but **NO LONGER** than 7 minutes!

## Research Connections

Research a topic related to your book and report on your findings. Aspects of setting, culture, time period, or events related to the book are all good topics. See list of suggestions. Your presentation should identify:

- your topic
- its connection to your book
- why you chose it
- 3-5 main ideas for your audience to take away

Your presentation (power point, prezi or video format) should include:

- information & visuals
- a bibliography
- correct MLA citations within the slide
