

Brainstorm for college & career ideas

1. Make a copy of this document
2. Rename it Your Name PP brainstorm
3. Place your last name in the header (instead of mine)
4. File it in your Cassetty folder **Q3**
5. List at least two (2) 'interests' (an example is given on p. 1) adding more rows as needed
6. Then work across the row completing information

Some helpful links: SJA course descriptions: [SJA](#)
 College Board: [college search](#)
[Major & Career Search](#)
 Labor Statistics (BLS): [Occupational Outlook: growth rate](#) ----- [top ranked job growth](#)
 Department of Defense (DOD): [Career & College information](#)

EXAMPLE:

Interests	Job ideas	Requirements	Things I can do now	Questions to research
EX: horseback riding; working with horses	vet assistant	math, science, college	biology courses; research schools; dual enrollment or summer college course	how many years of college? what major?
see above	trainer	on-the-job experience with horses & kids/people	part-time job or internship; human services OR child care classes at SJA	any certifications I should have?
see above	stable owner/manager	family land/building; knowledge of animals and business	talk to a current stable owner; talk to people who board horses; human services OR business classes at SJA; financial lit class	How expensive to care for a horse each year? What is going rate people pay to board horse? Do I have land/barn in family to use?
